

DUNCAN-JENKINS TRUST

INDIVIDUAL STUDENT ENRICHMENT GRANT APPLICATION

Under special circumstances, individual students may apply for Enrichment Grants to attend academic or arts programs. Generally, grants do not exceed \$1500, and they are considered only for students who have achieved special distinction and who have already been accepted into the chosen program. Applications must be channeled through the Financial Aid Specialist at Hillsboro-Deering High School, who will forward them to the Trust. **Please allow 5 to 6 weeks for a response.** Under special conditions, the Grant Committee may be able to respond within a shorter time.

****Please note that Duncan-Jenkins Grant applications can no longer be dropped off or mailed to the Upton and Hatfield office.

Applications should be emailed to duncanjenkins.trust@gmail.com

Although applications can be submitted at any time, they must be received a week prior to the D-J Trust Committee meeting for consideration. D-J Trust Committee meetings are held on the third Tuesday of the month and are posted on the SAU and each school's website calendar.

The application includes:
