

SUPERINTENDENT EVALUATION AND GOAL SETTING

The Board will annually evaluate the Superintendent based on written criteria as established by the Board. Co-extensive with the Superintendent evaluation, the Board and Superintendent will jointly establish annual goals and objectives. The Board believes that establishing annual goals and objectives will serve as a benchmark and criteria for the Superintendent's annual evaluation.

The Superintendent is responsible for the services described in applicable statute and Department of Education rules. In addition to and related to those responsibilities, the following areas are representative of those in which objectives may be set and progress appraised:

1. Fiscal Management
2. Curriculum and Instruction
3. Pupil Achievement and Assessment
4. Communication/Community Relations
5. Relationship with the School Board
6. Administration of Educational Services
7. Administration of School Facilities
8. Governance of Pupils
9. Hiring and Supervision of School District Staff
10. Overall Leadership on Educational Issues – Short and Long-Term Planning

The board may choose not to annually evaluate and review every area listed above. **An evaluation of the Superintendent by the Board must take place annually, by June 15.**

The Board desires that the annual Superintendent evaluation and goal setting will clarify the Superintendent's role within the school community, address areas for the Superintendent to improve, and address areas for which the Superintendent should be commended.
